**Date:** Feb. 27, 2015

**Project Name:** TimePies

**Client:** Pink PlastiCS

**Sprint Number:** 2.0

1. What were the main lessons your team learned in this sprint?

Doing documentation while coding is important.

2. Describe one example of what went right in this sprint.

We were able to finish on time for the sprint.

3. Describe one example of what went wrong in this sprint.

There are still a lot about developing with android that we don't know about and so we encountered a lot of problems.

4. What will you do differently on the next sprint based on your experience working on this current sprint?

Make code cleaner and fix design.
